

WALL OF FAME - DOCUMENT - SOHAN

My Name is Sohan Vikas Patil. I am in 8th Standard and I study in Guru Nanak English High School.

I like Coding, Reading Different Books & Novels and many others..
My Hobbies are Playing Chess and Badminton.

I create Different Native and Cross-Platform Apps. And then publishing those apps on Play Store.

I have created an Expend-IT App in which you can add expenses, set your monthly expenses limit and it's made in React JS.
Also, I have created a Simple Calculator which is made in Android Studio. This app is also published on Play Store. And, it's made in Android Studio !

In School, I have been rewarded with more than 22+ trophies and awards, as I keep participating in Different School Competitions & Activities and Also, Extra-Co Curricular Activities like Olympiad Exams and many more..

As I like coding, I got to know about White Hat Jr Coding Platform. So I decided to join the classes. The experience with WhiteHat Jr and my Coding Teacher was very nice and best.

I would also recommend WhiteHat Jr to other students who are interested in Coding like me.

And there are also my trophies & awards photos down in this PDF. Don't forget to check that out!

Manisha Patil

My son's achievements — Feeling **happy**.

— **Feeling blessed.**
